

Many are yet to understand the purpose behind the Coming of Jesus Christ into the world the first time and His expected second coming.

The first time He came as the Lamb of God that takes away the sins of the world, the Saviour of mankind, The Redeemer i.e. One who pays the price and buy back a captive in-order to set him free. He also came the first time as the son (word) of God and the son of man (in nature of man) to make the way for our salvation.
